REJTŐ SÁNDOR FACULTY OF LIGHT INDUSTRY
AND ENVIRONMENTAL ENGINEERING

4th Announcement

INVITATION for the 11th ICEEE-2020

INDEXED INTERNATIONAL ANNUAL CONFERENCE

„Sustainable Environmental Protection & Waste Management Responsibility”

The Conference is carrying out under the auspices of:

Prof. Dr. Levente KOVÁCS
Rector, Óbuda University

Presidency of the Conference:

Dr. László KOLTAI
Dean, Rejtő Sándor Faculty of Light Industry & Environmental Engineering
Dr. Rita BODÁNE-KENDROVICS
Director, Institute of Environmental Engineering & Natural Sciences
Prof. Dr. Hosam BAYOUMI HAMUDA
President, International Council of Environmental Engineering Education
Conference Chair

Organising Committee

 - Important Message: 11th ICEEE-2020/Name and surname of participant

We would like to encourage and amplify the transfer of knowledge between scientists with different backgrounds and from different disciplines who study, solve or apply the same types of equations. At the same time, we are taking this opportunity to explore new forms of communication in Conference publishing **Proceedings Book with ISBN: 978-963-449-203-0.**

Main Themes

- Agricultural, Biological & Environmental Pollution
- Alternative Renewable Fuels
- Applications of Artificial Intelligence for Disaster Management
- Biosecurity Strategy for Agricultural & Food Industry
- Climate Change Impacts & GHG Performance
- Environmental Contamination & Toxicology
- Environmental Monitoring, Modelling & Assessment
- Environmental & Resource Economics
- Environmental Awareness & Engagement: Education, Promotion & Inclusion
- From Waste to Energy
- Industrial, Nuclear & Radio Engineering
- Landscape & Environmental Protection
- Light Industry & Waste Recycling
- Materials Technology & Engineering
- Membrane Bioreactors for Wastewater Treatment
- Monitoring & Evaluation in the Waste Management
- Municipal & Industrial Solid Waste Management
- Nano(Bio)technology & Nanomaterials
- Pure and Applied Sciences: Chemistry, Mathematics, Physics
- Strategies Integrated for Energy Production
- Water Treatment & Desalination

Call for Papers

1. Please submit presentation title, presentation abstract, and speaker profile.
 2. Speakers are required to fill the registration form before submitting presentation information.
 3. Please note that the submitted paper will not automatically be accepted for publication - the submitted paper will undergo a rigorous peer review process before a decision is made as to whether or not the entry is accepted for publication.
