

9th ICEEE-2018
Climatic Changes and Environmental
(Bio)Engineering
November 22nd – 24th, 2018
Óbuda University RKK
Budapest, Hungary

General Invitation Letter

Dear Colleagues

It is a great pleasure to invite you as a speaker for our upcoming **the 9th ICEEE - 2018** International Conference On „**Climatic Change and Environmental (Bio) Engineering**” which will be held here in Budapest from November 22nd to 24th 2018 in Hungary. This conference is one of the most highly acclaimed meetings in Climatic Change and Its Impacts on Environment.

The main goals of the conference are: to promote research and developmental activities in Environmental (Bio) Engineering and different fields of Natural Science; and to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working in and around the world. This conference will provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration.

The organizing committee is gearing up for an exciting and informative conference program including plenary lectures, symposia, workshops on a variety of topics, poster presentations and various social programs.

The conference welcomes paper presentation from any interested participants willing to present paper during the conference.

The conference is always held every year to make it an ideal platform for people to share views and experiences in Environmental (Bio) Engineering and different fields of Sciences.

Every year many keynote speakers, speakers, poster presenters and workshop organisers give a speech on the theme of the conference. This year:

- The conference would offer a large number of invited lectures from renowned speakers.
- The participant is kindly asked to prepare **at least 2 manuscripts**.
- Each paper will be assigned Digital Object Identifier (DOI)
- The Proceedings of the conference will be published with ISBN Number
- The high quality and excellent selected papers will be published in [an International Journal of Environmental Science](#) after Peer Review Process and Assessment
- Conference pictures are will be available in conference gallery in the website
- Suggested topics include, but are not limited to: [Climate Change & Adaptation & Migration](#); [Agriculture, Food & Forest Security](#); [Applied Sciences](#); [\(Bio\) Engineering](#); [Biodiversity Conservation & Bioindicators](#); [Desertification](#); [Eco-design, Green Marketing & Textile Development](#); [Education, Innovation and Sustainable Development](#); [Energy](#); [Environmental Friendly Materials](#); [Environmental Pollution & Protection](#); [Health & Infectious Disease](#); [Impacts on Water & Sanitation](#); [Economics: Industry & Business](#); [Environmental legislation & Regulations](#); [Mathematical Modelling & Computation](#); [Natural Resource & Management](#); [Novel Ways of Feeding 9 Billion \(Global Population\)](#); [Technology & Climate Monitoring](#), etc.

Information	Deadline: before	Conference fee for	Fee In €
Submission of registration	10 th of September 2018	Personal Participation	220
Submission of abstracts	24 th of September 2018	PhD/MSc/BSc student Participation	125
Acceptance notification	26 th of September 2018	Presentation without article	175
Submission of full papers	15 th of October 2018	Accompanying person	150
Acceptance notification	20 th of October 2018	Social Programme	80

We request for your contribution and we would be very delighted to have your submissions for our Proceedings and [the Journal](#).

We do very much hope that you will be able to accept our invitation. For any further Information and more details please feel free to contact us.

Yours Sincerely,

Prof. Dr. Hosam BAYOUMI HAMUDA
President of ICEEE,
Member, Presidency of the Conference
